SSAGA Members and Friends,

*Happy New Year to each of you and I am hoping you had a great holiday. 2019' was exciting and challenging to achieving our goals but **WE DID IT!** We endeavored to accomplish two goals for the SSAGA organization. Working with support of the Executive Committee, Board of Directors and you, we made significant progress. Our two (2) immediate goals were to:*

- #1. Grow our overall organization by assisting clubs sharing best practices.*
- #2. Become proactive to invite and get more guests to events for growth.*

The good news, we have a new club on the schedule for 2020' tournaments

- The Shankers Golf Club (Ft. Lauderdale, FL)- George Lewis, President*

We must now focus on our 2020' goals, which are:

- 1. Observe flights and player tee-boxes to **IMPROVE SLOW PLAY!***
- 2. Enhance each tournament venue and hotel accommodation!*
- 3. Ensure that all participants and guests have a great time!*

If you have any ideas to help achieve these goals, please contact gkvereen@comcast.net or call/text (561) 329-5195.

*Best Regards,
Gregory Vereen
President, SSAGA*
